

COME TO YOUR CENSUS, STUDENTS.

STUDENTS,

Did you know the 2020 Census determines your future voting power and whether you get your fair share of funding for critical education programs?

Fill out this 9-question confidential survey starting March 12—online, by phone, or by mail—and each person in your household (including you), whether a citizen or not, brings \$20,000 into your community over the next ten years for vital services. These include teacher training, school breakfast and lunch assistance, after-school programs, classroom technology, Title I funding for schools with low-income students, special education, Head Start, and more—resources on which students rely to lead successful lives.

Your future self is depending on you. Fill out your Census, and tell everyone you know (this is one time you can tell grown ups what to do). www.ComeToYourCensus.us
