

COME TO YOUR CENSUS, FAMILIES.

FAMILIES,

Did you know the 2020 Census determines whether grandparents, parents, and children—even babies—get their fair share of federal funding for healthcare, food assistance, public transportation, child care and senior centers, schools, affordable housing, and more? These are resources that all families need to lead healthy and successful lives.

Fill out this 9-question confidential survey starting March 12—online, by phone, or by mail—and each person in your household (including you), whether a citizen or not, brings \$20,000 into your community over the next ten years. When you complete the Census, you also protect your voice, voting power, and equal representation in government.

Fill out your Census, and tell everyone you know.
