

COME TO YOUR CENSUS, COMMUTERS.

COMMUTERS,

Did you know the 2020 Census determines where this MUNI bus is going, how bumpy the ride is, and where your job might be located?

Fill in this 9-question confidential survey starting March 12—online, by phone, or by mail—and each person in your household (including you), whether a citizen or not, brings \$20,000 into your community over the next ten years. These funds go to road repair, public transportation, business development, healthcare, schools, affordable housing, and more. Plus, an undercount in the 2020 Census will likely cost California one of its seats in the House of Representatives (which would go to another state!).

Fill out your Census, and tell everyone you know.
