

# COME TO YOUR CENSUS, FATHERS.

Did you know the 2020 Census determines whether children—even babies—parents, and grandparents get their fair share of federal funding for healthcare, food assistance, public transportation, child care and senior centers, schools, affordable housing, and more? These are resources that all families need to lead healthy and successful lives.

Fill out this 9-question confidential survey by October 31—online at [my2020Census.gov](https://my2020Census.gov) by phone at 844-330-2020 or by mail—and each person in your household (including you), whether a citizen or not, brings \$20,000 into your community over the next ten years. When you complete the Census, you also protect your voice, voting power, and equal representation in government.

Your family is depending on you.

Fill out your Census, and tell everyone you know.  
Come to your Census.
